Industry-Academia Collaboration Program for Indonesian 2-year college

## 旅館管理專班

Special Program for Hotel Management Department

The Department of Hotel Management has dedicatedly operated and professionally collaborated with Taiwan's tourism and hospitality industry to cultivate professionals since 1977. Upholding the ideal of technical and vocational education, the Department operates with a featured design of "Learning and Doing as One" to actively cultivate hospitality professionals, and prepare students for a better future in accordance with the vigorous development of the country's overall leisure services and hospitality industry. The aim of this department is to keep pace with national policy of developing hospitality services business and to further equip students with knowledge and skills of hotel and food service management by means of combining theory and practical training. Students are cultivated to become professionals with not only specialized skills and global vision but work ethic, diligence and spirit of team work and comradery. Students are immersed in a "high-quality learning environment combined with both theory and practice". By pursuing excellence of knowledge in hotel management and strengthening theoretical education and practical training, our students are equipped with noble character, a sense of responsibility, innovation, teamwork and global vision to serve the country and the international community.

培育專業經理人為基本培育目標，在三年的專業課程之中養成同學獨立思考以及解決事業單位難題與危機之專業技巧與能力。無論同學是否繼續投入旅館業服務，都將成為各種產業之合作寵兒，以其特有之國際關與國際溝通能力之架構，將快速的成為國內外產業界之明日之星。

本系教育目標為培育具備人性關懷、服務熱誠、富涵職業道德與國際語言溝通能力之國際觀光旅館產業之專業人才，在學期間、特別加強提供「理論與實務結合的優質學習環境」。

追求卓越的旅館管理知識，強化餐旅理論教育與實務訓練，使同學具備責任感、高尚品德、創新能力、團隊精神及全球視野，以服務國家及國際社會。
